

Nghia Lam

nghiatlam03@gmail.com ❖ (678)-428-1223 ❖ Norcross, GA 30093

EDUCATION

Georgia State University

Graduation - April 2026

Bachelor of Science in Computer Science

Codepath

June 2023 - August 2023

Intro to Software Engineering 101

- Engaged in hands-on learning with Python, covering data structure, algorithms, and OOP concepts, to build scalable software applications

WORK EXPERIENCE

Gaming Market Research Extern

October 2023 – December 2023

Mobalytics

Remote

- Conducted comprehensive genre analysis on over 50 game titles, identifying key Soulslike genre trends
- Analyzed detailed player personas and revenue models, influencing a strategic pivot in marketing efforts

Freshwater & Community Conservation Extern

February 2024 – April 2024

National Geographic Society & The Nature Conservancy

Remote

- Participated in 20+ weekly strategy sessions with global industry leaders, enhancing cross-organizational collaboration on water conservation
- Utilized data analytics skills to develop an interactive storymap with ArcGIS, enhancing readers understanding and engagement

PROJECTS

Art Exhibition Website | *HTML, CSS*

Github link: <https://nghialam2026.github.io/Art-Exhibition-Website/>

- Designed and launched an art exhibition website utilizing cutting-edge HTML and CSS techniques to elevate user experience, receiving positive feedback for its immersive and intuitive interface

Traffic Signs Quiz | *HTML, CSS, Javascript*

Github link: <https://github.com/NghiaLam2026/Traffic-Sign-Quiz>

- Architected a traffic sign quiz web application emphasizing responsive design and multimedia integration, which resulted in an engaging and instructive user interface

Sorting Algorithm Visualizer | *HTML, CSS, Javascript*

Github link: <https://github.com/NghiaLam2026/Sorting-Algorithm-Visualizer>

- Engineered a dynamic array visualization feature, translating numerical data into visually appealing bars that adjust in real-time, providing an immediate, intuitive understanding of the sorting process for users

SKILLS & CERTIFICATIONS

- **Certifications:** CodePath's Certification of Completion for SE101, Gaming Market Research Certification, Freshwater & Community Conservation Certification
- **Programming Languages:** Python (Proficient), HTML (Intermediate), CSS (Intermediate), Javascript (Intermediate), C (Beginner)
